Bathroom Accessories

A new addition to the growing range of designer products from Streamline, designed specifically for today's modern day standard of living. Axus is a true reflection of the clean and modern lines that are sweeping the world.

Axus is a complete range of high quality bathroom accessories from soap holders to towel rails.

Crafted from solid brass, you can be assured of Axus' long lasting looks and durability. The double screw fixing bracket system means that the accessories remain where they should be, securely fixed to the wall.

The Axus series is backed by a five year warranty against manufacturing defects.

Available in chrome finish.
